HEALTH AND SAFETY POLICY

We the undersigned representing ABGM Contracts Ltd hereby confirm our Health and Safety Policy:

It is the Directors' responsibility to ensure that all our workforce are adequately trained in all relevant areas of Health and Safety at work prior to any employment commencing.

All our contracts that comply with current C.D.M regulations are thoroughly planned with the relevant Health and Safety plan, prepared prior to work commencing.

Within this plan all applicable risk assessments and actions to be taken should an accident occur are thoroughly prepared, details being available on site at all times. Notification to the Health and Safety Executive using F10 is submitted on all occasions.

Should the works not be subject to C.D.M regulations a brief description of all the work including all applicable hazards will be notified to the workforce prior to works commencing.

It is our policy to ensure that accidents are prevented at all times resulting in good morale within the Company.

Mr A Beckett and Mrs Beckett are fully qualified on all aspects of Health and Safety and are continuing to keep updated on all Health and Safety aspects through the Chartered Institute of Building.
